

Efficiency United Rebate Application

Efficiency
United

Electric Utilities

Program Dates: Jan. 1 through Dec. 31, 2026

Savings brought to you by your utility provider and our Michigan energy partners.

How to apply for a rebate:

1. Determine Eligibility. Review the eligibility requirements and terms and conditions throughout the application to verify that you are eligible for rebates on energy-saving products.

2. Complete the Application and Attach Invoices. Submit completed page 1 as well as the rebate pages you are applying for and supporting documentation within 60 days of installation or by Dec. 31, 2026, whichever comes first. Please retain a copy of all invoices and your completed application for your records.

3. Attach Your Utility Account Number and Copy of Most Recent Bill. In the event you are unable to provide utility account information, diligent efforts will be made to validate the account using the Customer Information provided. Please be advised that this alternate verification process may contribute to processing delays or submission rejection.

Eligibility:

1. Applicant must be a residential Efficiency United delivery service customer at the time of equipment installation.
2. Equipment must be purchased and installed between Jan. 1 and Dec. 31, 2026.
3. Application must be submitted within 60 days of installation or by Dec. 31, 2026, whichever comes first.
4. Equipment must meet the stated requirements to qualify for a rebate.
5. Rebate cannot exceed the cost of the energy-efficient improvement.
6. Rebates are available on a first-come, first-served basis and are contingent upon available program funding (*some utilities may not qualify for all rebates) and subject to the Terms and Conditions.
7. Must be installed in the account holder's single-family home (1-4 units).

Requirements are subject to change and can be confirmed at efficiencyunited.com. Please allow up to six (6) weeks for payment.

*Baraga Electric Utility, City of Stephenson, Crystal Falls Electric Department, L'Anse Electric Utility, Village of Daggett, Village of Newberry, Village of Union City.

Choose Your Electric Provider

PART 1: Customer Information

Customer Name (as it appears on your utility bill)

Utility Account Number

Installation Address

City	State	ZIP
------	-------	-----

Mailing Address (if different)

City	State MI	ZIP
------	----------	-----

Phone Number

Email Address

Appx. Yr. Home Built

Size of Home (appx. ft²)

Water Heater Fuel Type: Electric Natural Gas Other: _____

Home Cooled With Central A/C? Yes No

Primary Heating System:

Heating System Being Replaced: (if applicable and different from the Primary Heating System)

Home Type:

Single Family Duplex Manufactured Home Other: _____

PART 2: Contractor Information (if applicable)

Check if self-installed

Company Name (as it appears on the invoice or receipt)

Contractor Tax ID

Address

City	State	ZIP
------	-------	-----

Phone Number

Email Address

PART 3: Mailing Address for Rebate Check

MAKE CHECK PAYABLE TO:

Account Holder Contractor Property Owner/Landlord (if different from account holder)

If "Contractor" box is checked, invoice must itemize instant rebate, and customer acknowledges contractor will receive incentive. If "Contractor" or "Landlord" box is checked, a W-9 must be provided.

Company Name (as it appears on the invoice or receipt)

Address

City	State	ZIP
------	-------	-----

Phone Number

PART 4: Customer Signature

This Residential Rebate Application cannot be processed unless all of the appropriate fields on this application are complete. Please be sure you have read the Terms and Conditions of this application.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS. I CERTIFY THAT THE INFORMATION I HAVE PROVIDED IS TRUE AND CORRECT AND THE PRODUCT(S) AND/OR EQUIPMENT FOR WHICH I AM REQUESTING A REBATE MEETS THE REQUIREMENTS IN THIS APPLICATION.

Signature (account holder only)

Date

PART 5: Air Sealing (must be performed by a licensed contractor)

Required Documentation for an Air Sealing Rebate:

- A copy of your sales receipt/invoice indicating installation date and price
- Your utility account number and copy of most recent bill
- Installing contractor information

Air Sealing

Rebate	Installation Date	Test-In (CFM 50)	Test-Out (CFM 50)	Percent Change
\$200				

Requirements: Primary heating system must be electric. Must pressurize home with a blower-door test. Final percentage change must be greater than or equal to 15 percent to qualify. Calculate final percentage as $(\text{Test-in} - \text{Test-out}) / (\text{Test-in})$.

PART 6: Insulation

Required Documentation for Insulation Rebate:

- A copy of your sales receipt/invoice indicating existing/pre and post R-values, purchase/installation date and price
- Your utility account number and copy of most recent bill

Above-Grade Wall Insulation

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$400				

Requirements: Primary heating system must be electric. Pre R-value must be R-0. Final R-value must be R-7 or greater. Must insulate 500 sq. ft. minimum. Max of one above-grade wall insulation rebate per home.

Attic Insulation

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$400				

Requirements: Primary heating system must be electric. Pre R-value must be R-19 or less. Final R-value must be R-49 or greater. Must insulate 500 sq. ft. minimum. Max of one attic insulation rebate per home.

Attic Hatch Insulation (Scuttle/Door Access)

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$25				

Requirements: Primary heating system must be electric. Pre R-value must be 0. Final R-value must be R-38 or greater. Must insulate entire hatch and weather-strip perimeter of opening. Rebate applies to each insulated hatch. May claim multiple hatches (scuttle and/or pull-down stairs) per home.

Attic Hatch Insulation (Pull-Down Stairs)

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$25				

Requirements: Primary heating system must be electric. Pre R-value must be 0. Final R-value must be R-38 or greater. Must insulate entire hatch and weather-strip perimeter of opening. Rebate applies to each insulated hatch. May claim multiple hatches (scuttle and/or pull-down stairs) per home.

Basement Wall Insulation

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$300				

Requirements: Primary heating system must be electric. Pre R-value must be R-5 or less. Final R-value must be R-20 or greater. Must insulate 250 sq. ft. minimum. Max of one basement wall insulation rebate per home.

Crawlspace Wall Insulation

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$300				

Requirements: Primary heating system must be electric. Pre R-value must be R-10 or less. Final R-value must be R-20 or greater. Must insulate 250 sq. ft. minimum. Max of one crawlspace wall insulation rebate per home.

Floor Insulation

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$300				

Requirements: Primary heating system must be electric. Pre R-value must be uninsulated. Final R-value must be R-30 or greater. Must insulate 100 sq. ft. minimum. Max of one floor insulation rebate per home.

Knee Wall Insulation

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$300				

Requirements: Primary heating system must be electric. Pre R-value must be uninsulated. Final R-value must be R-19 or greater. Must insulate 100 sq. ft. minimum. Max of one knee wall insulation rebate per home.

Rim Joist Insulation

Rebate	Installation Date	Existing/Pre R-Value	Post R-Value	Total Area Insulated
\$300				

Requirements: Primary heating system must be electric. Pre R-value must be 0 and must insulate up to R-20. Must insulate 250 linear feet or the entire area (if smaller). Max of one rim joist installation rebate per home.

PART 7: ENERGY STAR Certified Products

Required Documentation for ENERGY STAR Rebate:

- A copy of your sales receipt/invoice indicating equipment type, manufacturer, model number, purchase/installation date and price

Air Purifier

Measure	Rebate	Installation Date	Quantity	Place of Purchase
<input type="checkbox"/> CADR 50-150	\$80			
<input type="checkbox"/> CADR 151+	\$85			
Manufacturer		Model #(s)		Serial #(s)

Requirements: Must be ENERGY STAR certified. Must be CADR 51+. Limit two per account.

Bathroom Exhaust Fan

Rebate	Installation Date	Quantity	Place of Purchase
\$30			
Manufacturer		Model #(s)	Serial #(s)

Requirements: Must be ENERGY STAR certified. Limit one per account.

Dehumidifier

Rebate	Installation Date	Quantity	Place of Purchase
\$60			
Manufacturer		Model #(s)	Serial #(s)

Requirements: Must be ENERGY STAR certified. Limit one per account.

Electric Clothes Dryer

Rebate	Installation Date	Quantity	Place of Purchase
\$50			
Manufacturer		Model #(s)	Serial #(s)

Requirements: Must be ENERGY STAR certified and an electric clothes dryer with a moisture sensor. Limit one per account.

Electric Heat Pump Clothes Dryer

Rebate	Installation Date	Quantity	Place of Purchase
\$125			
Manufacturer		Model #(s)	Serial #(s)

Requirements: Must be ENERGY STAR certified and an electric heat pump clothes dryer with a moisture sensor. Limit one per account.

Electric Clothes Washer (must have an electric water heater)

Rebate	Installation Date	Quantity	Place of Purchase
\$50			
Manufacturer		Model #(s)	Serial #(s)

Please specify current dryer fuel type, even if not applying for dryer: Gas Electric

Requirements: Must be ENERGY STAR certified. Limit one per account.

Electric Dishwasher (must have an electric water heater)

Rebate	Installation Date	Quantity	Place of Purchase
\$15			
Manufacturer		Model #(s)	Serial #(s)
Requirements: Must be ENERGY STAR certified. Limit one per account.			

Room Air Conditioner (inverter-driven)

Measure	Rebate	Installation Date	Quantity	Place of Purchase
<input type="checkbox"/> < 8,000 Btu/h	\$200			
<input type="checkbox"/> ≥ 8,000 Btu/h	\$300			
Manufacturer		Model #(s)	Serial #(s)	

Television

Rebate	Installation Date	Quantity	Place of Purchase
\$25			
Manufacturer		Model #(s)	Serial #(s)
Requirements: Must be ENERGY STAR certified. Must be 41" or greater. Limit two per account.			

PART 8: Space Heating Equipment (all equipment must be installed by a licensed contractor)

Required Documentation for a Space Heating and Cooling Rebate:

- A copy of your sales receipt/invoice indicating equipment type, manufacturer, model number, purchase/installation date and price
- A copy of AHRI certificate, if provided by the contractor
- Your utility account number and copy of most recent bill
- Installing contractor information (if applicable)

Air Source Heat Pump (ASHP)

Measure	Rebate	Installation Date	Size (tons)	Efficiency (SEER2)	AHRI # (if applicable)
<input type="checkbox"/> 15.2 SEER2	\$200				
<input type="checkbox"/> 16 SEER2	\$300				
<input type="checkbox"/> 17 SEER2	\$400				
<input type="checkbox"/> 18 SEER2	\$500				
<input type="checkbox"/> 19 SEER2	\$600				
<input type="checkbox"/> 20 SEER2	\$700				
<input type="checkbox"/> 21+ SEER2	\$800				
Furnace Model #		Outdoor Unit Model #	Indoor Unit Model #		
Requirements: Must be rated 15.2 SEER2 or greater. Must replace an existing 13 SEER or lower ASHP or an electric furnace. System may be ducted or ductless.					

Minisplit Heat Pump

Measure	Rebate	Installation Date	Efficiency (SEER2)	AHRI # (if applicable)
<input type="checkbox"/> Minisplit 15+ SEER2 AND 12.5+ HSPF2	\$1,500			
Outdoor Unit Model #	Outdoor Unit Serial #	Indoor Unit Model #	Indoor Unit Serial #	
Requirements: Must replace an existing 14.3 SEER2 and 7.5 HSPF2 or lower.				

ECM Boiler Circulator Pump

Measure	Rebate	Installation Date	Quantity	Wattage
<input type="checkbox"/> ECM Boiler Circulator Pump (<500W)	\$200			
<input type="checkbox"/> ECM Boiler Circulator Pump (500–1,000W)	\$200			
Manufacturer	Model #	Serial #		
Requirements: Must either be less than 500W or 500–1,000W. Must replace a non-ECM pump. If installing more than one ECM boiler circulator pump, add additional serial numbers (if applicable) to invoice.				

Thermostat

<input type="checkbox"/> Check if self-installed						
Measure	Rebate	Installation Date	Home Sq. Footage	Manufacturer	Model #	Serial #
Programmable Non Wi-Fi Thermostat	\$25					
Wi-Fi Enabled Programmable Thermostat	\$25					
Requirements: Primary heating system must be electric. Must replace a non-programmable thermostat. May be self-installed. Cannot be a refurbished unit. Limit one thermostat per home.						

PART 9: Water Heating Equipment

Required Documentation for Window Replacement Rebate:

- A copy of your sales receipt/invoice indicating equipment type, manufacturer, model number, serial number, purchase/installation date and price
- A copy of the AHRI certificate, if provided by the contractor
- Your utility account number and copy of most recent bill

Heat Pump Water Heater

Rebate	Installation Date	Efficiency (UEF)	AHRI # (if applicable)
\$850			
Manufacturer	Model #	Serial #	
Requirements: Must replace existing 2.00+ UEF electric water heater. Must be 55 gallons or less.			

PART 10: Window Replacement

Required Documentation for Water Heating Rebate:

- A copy of your sales receipt/invoice indicating equipment type, manufacturer, model number, purchase/installation date and price
- A copy of the certificate stating window's SHGC or U-Factor

Window Replacement (No limit)

Rebate	Installation Date	# of Windows	U-Factor or SHGC	Total Area of Glass (sq. ft.)
\$30				

Requirements: Primary heating system must be electric. Each window must have a ≤0.30 U-Factor or SHGC Rating. Must attach certificate stating SHGC or U-Factor. The following formula should be used when updating square inches to square feet: (height*width) / 144 = sq. ft. Must attach a list of windows or invoice/receipt that gives window quantities and glass sizes (window measurements).

Terms and Conditions

APPLICATION: This application and any required additional documentation, including the invoice, must be filled out completely, truthfully and accurately. Customers are advised to retain a copy of this application and any accompanying documentation submitted to Efficiency United* and their contractors under this program. Efficiency United and their contractors will not be responsible for lost documentation pertaining to this application request. Details of this program, including rebate levels, are subject to change or cancellation without prior notice. This application with required documentation must be received within 60 days of the purchase/installation completion. Please call for the most up-to-date details 1.877.367.3191 or visit efficiencyunited.com.

LIMITED FUNDS: Funds for rebates are limited and available on a first-come, first-served basis. Rebate amounts are valid while funds last. Efficiency United and their contractors reserve the right to not pay this rebate if funds are not available at the time of application approval, or if the form and all required additional information are not filled out completely and accurately ('Baraga, Crystal Falls, Daggett, L'Anse, Newberry, Stephenson, Union City).

ELIGIBILITY: This offer is valid for residential customers applying through an Efficiency United residential program only. Customers applying for a rebate must receive service from a participating Efficiency United utility. This offer is not valid for new construction homes or commercial properties. Equipment must be installed in a participating Efficiency United service territory. Each customer is eligible to receive rebates up to the stated maximums, irrespective of which Efficiency United program(s) participation occurs in. Efficiency United will process claims for rebates and/or requests for measures up to this maximum limit across all programs. Rebate requests that exceed the per-customer annual maximum will not be processed. Rebate amounts shall not exceed the amount paid for the respective upgrades.

APPROVAL, VERIFICATION AND INSPECTION: Prior to any payment of rebates, Efficiency United and their contractors reserve the right to verify sales transactions. Customer's contractor will verify that the installed energy-saving measures meet all applicable building codes, zoning laws, local, state and federal requirements and other relevant requirements. Contractor is responsible for any applicable permits as required by aforementioned code/law. Outdoor temperatures may affect this verification process. Customer's home may also be selected for a quality control post-installation inspection by Efficiency United and their contractors. No warranty is implied by this inspection.

PROOF OF PURCHASE: A contractor's invoice itemizing the purchased equipment must accompany each Efficiency United residential rebate application. Refer to requirements outlined on page 1 of application for specific submission guidelines.

PAYMENT: Please allow up to 6–8 weeks for payment. Payment processing may take longer if information is missing on the application. Please visit efficiencyunited.com if you have any questions about your rebate.

TAX LIABILITY: Efficiency United and their contractors will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates. Please contact your tax advisor for more information.

FACSIMILE/SCANNED: Facsimile transmission of any signed original document, and the retransmission of any signed facsimile transmission, shall be the same as delivery of the original signed document. Scanned original documents transmitted to Efficiency United and their contractors as an attachment via electronic mail shall be the same as delivery of the original signed document. At the request of Efficiency United, customer shall confirm documents with a facsimile-transmitted signature or a scanned signature by providing the original document. Please fax to 517.580.5123 or email myrebate@efficiencyunited.com.

NO ENDORSEMENT: Efficiency United and their contractors do not endorse any particular manufacturer, product, system design, claim or contractor in promoting this program.

INFORMATION RELEASE: Customer requests and authorizes Efficiency United to release electric and/or natural gas usage for the preceding 12 months to Efficiency United in order to participate in the program. The authorization to release information expires automatically two (2) years after signature date. Customer agrees that Efficiency United and their contractors may include customer's name, address, utility account number, participating utility service type and resulting energy savings ("Information") in a database hosted by a contractor of Efficiency United, and such information may be included in reports or other documentation submitted to the participating utility service provider, their contractors and/or the Michigan Public Service Commission ("Reports"). Such parties will treat such Information as confidential and the Information in the Reports shall only be in the aggregate.

RELEASE/INDEMNIFICATION: Payment of rebates under the Program and/or evaluation of applications for rebates shall not deem Efficiency United or any of its affiliates, employees, contractors or agents ("Efficiency United Parties") to be responsible for any work completed in connection herewith. Applicant fully releases Efficiency United Parties from any and all claims it may have against Efficiency United Parties in connection with this application, the rebates or the work performed in connection with them. In addition, applicant agrees to defend, indemnify and hold Efficiency United Parties harmless from and against any and all claims, losses, demands or lawsuits by any third parties arising in connection with this application, the payment or non-payment of rebates or any work performed in connection with them. The customer hereby releases the participating utility service provider from any and all liability arising from or connected with releasing the information to Efficiency United set forth herein.

LIMITATION OF LIABILITY: Efficiency United Parties' total liability is limited to the amount of the rebate payment specified in this application. IN NO EVENT WILL EFFICIENCY UNITED PARTIES BE LIABLE WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, WARRANTY OR OTHERWISE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES CONNECTED WITH OR RESULTING FROM PARTICIPATION IN THIS PROGRAM.

DISCLAIMER: NEITHER EFFICIENCY UNITED PARTIES NOR ANY OF ITS AFFILIATES GUARANTEE THE ENERGY SAVINGS OR MAKE ANY WARRANTIES ASSOCIATED WITH THE MEASURES ELIGIBLE FOR REBATES UNDER THIS PROGRAM. EFFICIENCY UNITED PARTIES HAVE NO OBLIGATIONS REGARDING, AND DO NOT ENDORSE OR GUARANTEE, ANY CLAIMS, PROMISES, WORK OR EQUIPMENT MADE, PERFORMED OR FURNISHED BY ANY CONTRACTOR OR EQUIPMENT VENDOR THAT SELLS OR INSTALLS ANY ENERGY EFFICIENCY MEASURES. EFFICIENCY UNITED PARTIES MAKE NO WARRANTIES OR REPRESENTATIONS OF ANY KIND, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATIONS, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE REGARDING THE EQUIPMENT PROVIDED BY A MANUFACTURER OR VENDOR. CONTACT YOUR CONTRACTOR FOR DETAILS REGARDING EQUIPMENT PERFORMANCE AND WARRANTIES. EFFICIENCY UNITED PARTIES HAVE NO OBLIGATION TO MAKE ANY REBATE DESCRIBED HEREIN UNLESS CERTAIN MINIMUM REQUIREMENTS OF THE PROGRAM HAVE BEEN MET AND FUNDS ALLOCATED FOR SUCH REBATES ARE AVAILABLE FOR DISTRIBUTION.

PROPERTY RIGHTS: Customer represents that customer has the right to complete and/or install the energy-saving measures on the property on which those measures are completed and/or installed and that any necessary landlord's consent has been obtained, if applicable.

SIGNATURE - CUSTOMER'S CERTIFICATION: Customer certifies that he/she has purchased and installed the equipment listed on this application at the defined location. Customer agrees that all information is true and that he/she has conformed to all program and equipment requirements listed.

*Efficiency United is a program administered and implemented by CLEAResult and the Michigan Community Action Agency Association pursuant to a contract with the State of Michigan, Department of Energy, Labor & Economic Growth and in compliance with PA 342 of 2016.
